2. Configuration rules

Custom dimensions must be explicitly recorded in the enquiry/order.

Operations must confirm manufacturability before a custom specification is committed.

Any custom requirement that materially changes structural safety, material specification or production method requires Operations review.

Custom orders cannot be cancelled after production begins unless Management approves an exception.

3. Example test configuration

Customer request: DIN-001, six-seater teak dining table, custom size 2100×1000 mm, premium polish.

Expected customization charges: ■8,000 + ■4,500 before GST, subject to final approved quotation.
