

AASHA FURNITURE

Product Catalogue & Master Product Data

Controlled test-business document. Aasha Furniture is a synthetic business profile created for Agent Flux end-to-end verification. Product, customer, tax-registration, bank, contact and transaction identifiers in this package are test data and must not be treated as real-world credentials or legal records.

1. Catalogue rules

Prices below are base selling prices before applicable GST. Standard products have a 12% GST test rate for this controlled scenario; the tax rate must be treated as configurable business data, not inferred by the AI.

3. Product handling rules

Agent Flux must not invent stock quantities, dimensions, finishes or discounts that are absent from approved business data.

If a customer asks for a product/SKU not present in this catalogue, the enquiry should move to NEEDS_INFORMATION or MANUAL_REVIEW rather than creating an invented product.
